

## Eastern States Farmers Exchange (ERDX) Dk. Green 42' Boxcars S Scale

This set covers ERDX #10000-10099 which were ex 42' Reefer cars rebuilt as Standard Boxcars. These cars appeared on the scene in the late 50's. They were used for hauling Animal Feed dispatched out of Black Rock, NY. They were labeled as Refrigerated cars on Waybills so they would be expedited and not stuck in slower freight trains. Carbody is Dark Green w/White graphics.
